

October 08<sup>th</sup> and 09<sup>th</sup>, 2024 | Bad Mergentheim

# SUPPLY CHAIN 4 FUTURE

## **WE INVITE YOU! SUPPLY CHAIN 4 FUTURE**

Dear customer,

In these challenging times, we are pleased to invite you to our upcoming event “Supply Chain 4 Future” taking place on October 8th and 9th in Bad Mergentheim. This event will showcase our cutting-edge procurement solutions and comprehensive logistics concepts designed to make your processes more productive, efficient and future-proof.

Take the opportunity to exchange ideas with colleagues from the industry and shape the future of industrial supply together! Why attend?

- **Discover tailored and demand-driven systems for efficient processes**
- **Gain insights into one of Europe’s most modern logistics centre for industrial supply**
- **Follow presentations on future-oriented supply chains, robotics, process optimization and automation**

Our event is designed to offer hands-on solutions to current challenges and help you to increase your competitiveness.

We look forward to welcoming you!

**INDUSTRIAL PARK WÜRTH**  
Innovative C-Parts management  
on 143 acres!
